

TRANSMISSION SERVICE REQUEST

Western Interconnect Open Season

CONFIDENTIAL

Deadline: November 11, 2016, at 5:00 pm Mountain time

Important:

This document represents a binding request to obtain transmission service rights over the Western Interconnect (“WI”) transmission line.

Submission:

This completed Transmission Service Request document, together with any relevant additional information in support of the application, must be submitted no later than **5:00 pm Mountain time on November 11, 2016**. The completed form and any supporting documentation must be submitted via email to WesternInterconnect-os@londonconomics.com before the deadline.

Submissions will be reviewed by London Economics International LLC in its role as Independent Examiner (“IE”) for the Open Season process, and Tres Amigas LLC. Complete and timely submissions will be evaluated according to the criteria described in the Information Memorandum and WI Open Season website.

Alternate Phone

Email

Section II: Transmission Rights

Please provide the requested amount and duration of transmission service over the WI transmission line.

MW (*between 50 MW and 603 MW*)

Capacity amount of transmission rights

Please provide additional information regarding the source of power transmitted through the WI line:

- Organization possesses control of the site for the construction of new generation resource(s) that will be interconnecting with WI transmission line (*please provide supporting documentation*)

- Organization has a credit-worthy and commercially reasonable a Power Purchase Agreement for the purchase of power transmitted through the WI transmission line (*please provide supporting documentation*)

Section III: Acknowledgement of Open Season rules & procedures

- Organization understands and agrees to rules of the Open Season process as detailed in the Western Interconnect Open Season Information Memorandum
- Organization meets the Eligible Customer criteria as defined in Section 1.11 of the Western Interconnect OATT
- Organization agrees to all Transmission Service Agreement (“TSA”) and Large Generator Interconnection Agreement (“LGIA”) rates, terms & conditions
- Organization agrees to terms & conditions set forth in the Western Interconnect OATT insofar as they are not covered under the TSA or LGIA terms & conditions
- Organization agrees that the start of transmission service can be no later than 18 months following execution of TSA and LGIA

- Organization understands and agrees that this application for transmission service over the WI might be subject to interconnection studies by WI or Public Service Company of New Mexico (“PNM”), and potentially require upgrades on either transmission company’s system. **Failure by Organization to comply with any future deadline related to funding interconnection studies or system upgrades will result in termination of the application for transmission service on the WI**

Section III: Credit and Financial Information

A. Credit Rating

To the extent available, please list the Organization’s (and, if applicable, its Guarantor’s) senior unsecured debt rating.

If Organization would prefer an alternate way of meeting the credit requirements as set forth in Attachment L to the OATT, please submit pertinent documentation attached to the TSR.

| Rating Agency | Senior Unsecured Debt Rating | |
|-----------------------------------|------------------------------|-----------|
| | Organization | Guarantor |
| Standard & Poor’s Rating Services | | |
| Moody’s Investors Service, Inc. | | |
| Fitch, Inc. | | |

Name of Guarantor (if applicable)

B. Financial Information

If the Tangible Net Worth (or comparable measure of financial strength) applies to the Guarantor, please check the appropriate box.

Guarantor

Tangible Net Worth (or comparable measure of financial strength)

$$\text{Tangible Net Worth} = \text{Total Assets} - \text{Total Liabilities} - \text{Intangible Assets}$$

Please include any additional documentation that you deem relevant to assessing financial strength (e.g., the most recent SEC Form 10-K or audited annual financial information).

Section IV: Certifications

These certifications must be signed by a Representative of the Organization who is authorized to make certifications.

- 1) I certify that I am authorized to submit this Transmission Service Request form on behalf of the Organization listed in section I.
- 2) I certify that all information provided in this Transmission Service Request form is true and accurate to the best of my knowledge and belief.
